

LOVEPREET SINGH

Node.js Backend Engineer | Full Stack Developer

Chandigarh, India | +91-9855749213 | lovepreet49213@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFILE

MCA graduate (CGPA 8.77/10) and **Node.js Backend Engineer** with hands-on experience building RESTful APIs and full-stack applications using **Node.js, Express.js, MongoDB, Mongoose, and React.js**. Experienced in JWT authentication, role-based access control, OTP-based password recovery, password hashing, CRUD APIs, pagination, file uploads with Cloudinary, email and payment integrations, and API debugging. Additional experience with **ASP.NET MVC, Entity Framework, and SQL Server** for relational application development.

TECHNICAL SKILLS

Programming: JavaScript (ES6+), C++, Java (OOP), Python, C#

Backend: Node.js, Express.js, RESTful APIs, Middleware, ASP.NET MVC

Authentication & Security: JWT, Role-Based Access Control, bcrypt, OTP Verification, Password Hashing, Token Invalidation, CORS, Environment Variables

Database: MongoDB, Mongoose, SQL Server, Entity Framework, Schema Design, CRUD, Pagination

Frontend: React.js, Vite, HTML5, CSS3, Tailwind CSS, Axios, Responsive Design

Integrations: Cloudinary, Multer, Nodemailer, Razorpay

DevOps & Tools: Git, GitHub, Vercel, Postman, VS Code, Visual Studio

Concepts: REST API Design, MVC Architecture, OOP, DSA, Debugging

PROJECTS

Real Estate Management Platform | *React.js, Node.js, Express.js, MongoDB, Tailwind CSS, Cloudinary* |

Live: [Link](#) | GitHub: [Link](#)

- Designed and developed RESTful backend APIs for property listings, users, bookings, feedback, and property management using Node.js and Express.js.
- Implemented JWT authentication and role-based access control for Admin, Agent, and Customer roles using reusable authentication and authorization middleware.
- Developed complete property CRUD workflows with ownership validation, allowing authenticated customers to submit and manage their own properties.
- Implemented Cloudinary image uploads using Multer middleware and stored image URLs and metadata in MongoDB.
- Built booking APIs supporting property visits, authenticated user information, booking status management, and protected booking
- Implemented pagination, recent-property APIs, filtering, and property-detail endpoints for efficient data retrieval.
- Designed MongoDB schemas and relationships using Mongoose references and validation.
- Integrated Axios-based frontend communication with protected backend APIs and handled API errors and authentication states.
- Deployed the application using Vercel with environment-based configuration and production API communication.

GarageGo – Garage Management & Booking Platform *Node.js | Express.js | MongoDB | React.js | Cloudinary | Nodemailer*

Live: [Link](#) | GitHub: [Link](#)

- Developed RESTful APIs for authentication, garages, bookings, users, contacts, and administrative operations using Node.js and Express.js.
- Implemented JWT authentication with protected routes, role-based authorization, password hashing, and token validation.
- Designed MongoDB schemas with Mongoose for garage, user, and booking management workflows.
- Implemented CRUD APIs and business logic for garage listings and customer bookings.
- Integrated Cloudinary for image management and Nodemailer for transactional email communication.
- Configured CORS, environment variables, JSON payload limits, middleware, and centralized API routing for production deployment.
- Deployed backend services using Vercel and debugged frontend-backend API communication issues.

Property Management System | *ASP.NET MVC, EF* |

- Providing a comprehensive solution to meet the diverse needs of property dealers, buyers, and sellers alike.
- Offering a user-friendly interface and streamlined dealing process for easy property search, viewing and comparison by users.
- Incorporating advanced functionalities including user authentication and role-based access control.
- Ensuring scalability, security, and performance for handling the complexities of real estate, with features such as detailed property listings, high-quality images, and interactive elements.

EDUCATION

MCA | Punjabi University, Patiala | *CGPA 8.77/10* | 2022–2024

B.C.S. | DM College, Moga | *74.9%* | 2019–2022

ACHIEVEMENTS

- Class & Placement Representative, MCA; Active member of Management Committee and Hostel Welfare Committee.
